### The Hot Air Balloon

## Multi-Sensory Story Boxes 0-19yrs

**What Are They?** Multi-sensory story boxes offer accessible stories for those who cannot benefit from mainstream books. They are told interactively, through actions and emotions, rather than words and pictures. The story collection is aimed at parents/carers to use at home with their children.

**Who Are They For?** These wonderful stories are suitable for children and young people with:

- ✓ Severe learning difficulties
- ✓ Profound and multiple learning difficulties
- ✓ Language delay
- ✓ Visual impairment (younger/mainstream)
- ✓ Also those on the autistic spectrum

**What's Inside the Box?** Each box contains:

- ✓ A number of firm cardboard 'pages' with objects attached
- ✓ Various loose objects related to the story
- ✓ An A3 script with the story broken down into small chunks, each chunk relates to an object
- ✓ An A4 sheet explaining how the stories can be used

### The Invitation

### Charmain's Bonfire Adventure

### Where and How Can I Get One?

There are currently 20 stories available on loan from Wiltshire Libraries. Although they are stored at Devizes and Salisbury libraries, they can be reserved for **FREE** from your **local library** using the normal book reservation system.

## Inclusion funding for settings

Early Years Inclusion Support Funding is a financial contribution for early years settings towards the inclusion of children aged 0-5 who have a disability or difficulty that creates a barrier to their learning. The funding is needs led.

An Early Years Inclusion Officer and your setting will discuss any additional support required, in partnership with parents. The funding can be used by the setting for training, resources or support which is additional to or different from what is normally expected to be provided within your setting. It is neither the expectation nor intention that the additional funding will provide 1-1 continuous support.
